TCS Starts Hiring with 10,000 Jobs to Freshers

In a recent report, Tata Consultancy Services (TCS) has announced the hiring of 10,000 freshers, signaling the commencement of its second 'hiring phase' later this month. This move brings a glimmer of hope for colleges and students amidst a backdrop of dwindling recruitment activities in the IT sector, attributed to subdued demand, a TOI report stated.

TCS Fresher's Recruitment Test : According to insights gathered from various colleges, fresh talent is being onboarded through the National Qualifier Test (NQT). Powered by TCS iON, the NQT serves as a comprehensive skills assessment platform, gauging candidates' cognitive abilities and job-specific proficiencies. Notably, this platform isn't limited to internal recruitment within the Tata Group (TCS, Titan) but extends its utility to external organizations as well.

TCS Next Hiring Dates : Scheduled for April 26, TCS has slated the tests after the closure of graduate applications on April 10. While the initial recruitment phase targeted "priority colleges," the subsequent phase aims to encompass a broader spectrum.

TCS Fresher Hiring Roles and Packages : TCS has delineated its hiring into three distinct categories: Ninja, Digital, and Prime.

LIST OF GOVERNMENT JOBS FOR THIS WEEK

Staff Selection Commission

Airport Authority of India

Nuclear Power Corporation

High Court of Jharkhand

AI Airport Services

Employees State Insurance

Delhi Subordinate Services

The remuneration packages vary across these categories, with the Ninja tier offering an annual package of Rs 3.36 lakh, the Digital tier at Rs 7 lakh annually, and the Prime tier ranging between Rs 9 to 11.5 lakh annually. The recruitment momentum gained traction in January, with India's leading IT firm initiating its drive last month. Milind Lakkad, TCS's Chief HR Officer, had previously underscored the company's enthusiasm for campus hiring during a December earnings call, stating, "We have commenced our campus hiring process for the next year and see tremendous excitement among freshers to join TCS." In the preceding financial year 2023-24, TCS had set a target of onboarding 40,000 freshers, reaffirming its commitment to nurturing emerging talent.
